# Summer Scholars '24

Enrichment courses for students entering grades three through ten in the fall of 2024

Unique courses in:  
Art, History & Self Expression  
Career Exploration  
Culinary Arts  
Science, STEM  
& Problem Solving  
Technology & Digital Arts

**2024 COURSE DATES:**

**week one July 8-12**

**week two July 15-19**

**week three July 22-26**

**week four July 29-Aug. 2**

Choose an all-day session (9 a.m. to 4 p.m.) **OR** mix and match morning and afternoon sessions

**WOR-WIC**  
COMMUNITY COLLEGE

More course offerings are being added online. For the complete list of courses, scan the code, visit [worwic.edu/SummerScholars](http://worwic.edu/SummerScholars), email [summerscholars@worwic.edu](mailto:summerscholars@worwic.edu) or call 410-334-2815.

Summer Scholars is a summer enrichment program that is specifically designed for gifted and talented students entering grades three through ten in the fall of 2024. While the courses are aimed at keeping young minds agile over the summer, they are also designed to be fun and exciting. Students will enjoy “going to college” on our beautifully landscaped campus, with its state-of-the-art “smart” classrooms, science and computer labs.

We offer both half-day and all-day formats, so you can design a summer program that fits your schedule and your child’s interests. Courses are divided into three time slots:

- AM courses (9 a.m. to noon)
- PM courses (1 to 4 p.m.)
- ALL DAY courses (9 a.m. to 4 p.m. with a supervised lunch hour)

Before and after care is available:

- AM (7:30-9:00 a.m.), \$15.00/week
- PM (4:00-5:00 p.m.), \$15.00/week

## DIRECTORY

COURSE TITLE	COURSE #	TIME	TUITION	FEE
<b>Students entering grades 3 - 4</b>				
<b>WEEK ONE: July 8-12</b>				
Guardians of the Watershed, pg. 7	ZSMS-282-0112	AM	\$121	\$ 31
Shutterbugs, pg. 9	ZSMS-110-0113	AM	\$121	\$ 31
Korean Culture and K-Pop, pg. 4	ZSMS-270-0114	PM	\$121	\$ 56
To Infinity and Beyond, pg. 9	ZSMS-271-0115	PM	\$121	\$ 65
<b>WEEK TWO: July 15-19</b>				
Exploring the Animal Planet, pg. 7	ZSMS-283-0116	AM	\$121	\$ 41
Rockets and Robots, pg. 8	ZSMS-126-0117	AM	\$121	\$106
The Wizarding World of Writing, pg. 5	ZSMS-263-0118	PM	\$121	\$ 31
<b>WEEK THREE: July 22-26</b>				
Drone Adventures, pg. 9	ZSMS-269-0119	AM	\$ 35	\$296
Predator Versus Prey, pg. 8	ZSMS-284-0120	AM	\$121	\$ 41
CSI—Crime Scene Investigation: Wor-Wic, pg. 6	ZSMS-160-0121	PM	\$121	\$ 41
<b>WEEK FOUR: July 29 - August 2</b>				
May the Force be with You, pg. 7	ZSMS-202-0122	AM	\$121	\$ 41
Navigating the Mind-Body Nexus, pg. 8	ZSMS-285-0123	AM	\$121	\$ 31
Get Messy with Music, pg. 4	ZSMS-214-0124	PM	\$121	\$ 31
Think It, Design It, Make It— 3D Design with Tinkercad, pg.10	ZSMS-194-0125	PM	\$121	\$ 61

<b>WEEK TWO: July 15-19</b>				
Powering the Future, pg. 11	ZSMS-289-0144	ALL DAY	\$235	\$ 56
<b>WEEK FOUR: July 29 - August 2</b>				
Double Helix, pg. 11	ZSMS-290-0145	PM	\$121	\$ 41

# ART, HISTORY & SELF EXPRESSION

## Curtain Call

Calling all young actors! Get started or polish your skills and have fun while participating in a complete production from start to finish. Develop confidence, self-expression, group interaction and creativity through improvisation, acting games and characterization techniques. Explore various aspects of theater including acting, directing and producing and get involved with what goes on behind the scenes to make a production come to life. Get “hands-on” experience creating sets, props and reading scripts. Develop individual characters and work on scenes with the goal of understanding the unique relationship between body and voice. Put on your costume, tune up your voice and take a bow for a dynamic week of theatrical interaction!

**Instructor:** Staff TBD

**Tuition:** \$235

**Fee:** \$56

**For students entering grades 3-4:**

**July 29 - Aug. 2**

**9 a.m. - 4 p.m.**

**Course #ZSMS-226-0126**

**For students entering grades 5 - 7:**

**July 22-26**

**9 a.m. - 4 p.m.**

**Course #ZSMS-226-0137**

## Get Messy with Music!

Leave your nice clothes home for this class and get ready to get messy with music! In this upbeat class you will explore the fundamentals of music through art. Paint while dancing, illustrate various aspects of music and conduct experiments with sound and art forms.

**Instructor:** Emily Cook, Wicomico County Public Schools

**Tuition:** \$121

**Fee:** \$31

**For students entering grades 3-4:**

**July 29 - Aug. 2**

**1 p.m. - 4 p.m.**

**Course #ZSMS-214-0124**

## Korean Culture and K-Pop Dance

Explore traditional and contemporary Korean cultures through Korean language, introductory traditional and K-pop dance. Delve into various aspects of Korean culture through hands-on activities including speech, writing and learning different dance moves. Become culturally aware and open to diverse perspectives in a fun and engaging way.

**Instructor:** Youngmi Kim, Cornell University

**Tuition:** \$121

**Fee:** \$56

**For students entering grades 3-4:**

**July 8-12**

**1 p.m. - 4 p.m.**

**Course #ZSMS-270-0114**

**For students entering grades 5-7:**

**July 8-12**

**9 a.m. - 12 p.m.**

**Course #ZSMS-270-0128**

## The Wizarding World of Writing

Come join us in the magical world of Harry Potter! Expand your ability to write compelling stories and dive into the wizarding world. Make your own Harry Potter character to explore the elements of a story including character, setting, plot, conflict, climax, resolution and theme. Create journals with diary entries, illustrations and bookmarks. Take home what you write to show your family and friends!

**Instructor: Georgia Phillips, Independent Educator**

**Tuition: \$121      Fee: \$31**

**For students entering grades 3-4:**

**July 15-19      1 p.m. - 4 p.m.**

**Course #ZSMS-263-0118**

**For students entering grades 5-7:**

**July 15-19      9 a.m. - 12 p.m.**

**Course #ZSMS-263-0133**

## CULINARY ARTS

### Go Team, GO!!!

Calling all sports fans! Wear your favorite team colors to class and bring in your best snack recipe to share. Develop your cooking skills as you explore the history of major sports. Kick off with nachos grande and score a touchdown with cheese quesadillas, roasted corn & tomato salsa and tailgate filled cupcakes. Batter's up for grilled burger sliders and luscious strawberry shortcake.

**Instructor: Lois Kim, Wicomico County Public Schools**

**Tuition: \$121      Fee: \$86**

**For students entering grades 4-9:**

**July 15-19      9 a.m. - 12 p.m.**

**Course #ZSMS-134-0140**

### Festive Winter Favorites

Prepare to amaze your family and friends with comforting classics when the holiday season approaches. Learn how to make traditional winter recipes that bring everyone together while mastering kitchen safety protocols and cooking skills. Satisfy your winter tastebuds with delicious buttermilk cornbread, old school mac-n-cheese, stuffed apples and other dessert staples.

**Instructor: Lois Kim, Wicomico County Public Schools**

**Tuition: \$121      Fee: \$86**

**For students entering grades 4-9:**

**July 29 - Aug 2      9 a.m. - 12 p.m.**

**Course #ZSMS-280-0142**

### Summer Sweet Treats

Dream of whipping up something sweet and refreshing during the long sunny days? Want to learn some simple but fun recipes to serve at your next summer barbecue? Learn basic baking techniques and how to add bursts of flavor to colorful desserts. Prepare easy handheld twists on classics such as strawberry shortcake kabobs, pina colada cupcakes and watermelon rice krispies.

**Instructor: Tashana Phillips, De'Carlas Treats LLC**

**Tuition: \$121      Fee: \$86**

**For students entering grades 4-9:**

**July 22-26      9 a.m. - 12 p.m.**

**Course #ZSMS-281-0141**

## CAREER EXPLORATION

### CSI—Crime Scene Investigation: Wor-Wic

Search for evidence, gather clues and discover how science can help solve a mystery! In analyzing a real-life simulated crime scene, learn how to dust for and identify fingerprints; determine what influences blood splatter and use simulated blood to explore how blood type and DNA can catch a criminal; learn about the skeletal system and how bones can help to determine age and gender; analyze fibers, handwriting samples and other clues to narrow the list of "real" suspects. Learn about crime scene investigation and crime lab chemistry as you perform "hands on" experiments designed to show you just how those tricky cases are solved.

**Instructor: Audrey Moshfeghian, Most Blessed Sacrament School**

**Tuition: \$121      Fee: \$41**

**For students entering grades 3-4:**

**July 22-26      1 p.m. - 4 p.m.      Course #ZSMS-160-0121**

**For students entering grades 5-7**

**July 22-26      9 a.m. - 12 p.m.      Course #ZSMS-160-0135**

### Junior Zookeeper Camp

Go behind the scenes to learn what working in a zoo is all about and spend a morning working with the Salisbury Zookeepers during a trip to the zoo. Learn about the different skills required to work as a zookeeper, including animal handling, cleaning and the importance of record keeping. Be prepared to get your hands dirty and learn how to diet prep for the educational animals at the zoo! Study animal care to learn how to create enrichment. Get a chance to develop and implement a class enrichment project and collect data on it using animals at the zoo!

**Instructor: Kelly Colbert, Education Curator, Salisbury Zoological Park**

**Tuition: \$121      Fee: \$41**

**For students entering grades 5-7:**

**July 8-12      9 a.m. - 12 p.m.      Course #ZSMS-286-0127**

### Shark Tank Scholars **NEW!**

Are you a budding entrepreneur with a passion for innovation? Dive into the exciting world of business and learn the ropes of entrepreneurship with our new course! Inspired by the popular TV show "Shark Tank," this program is designed specifically for students eager to unleash their creativity and explore how to budget, market and present their product. Students will pitch their product idea to parents and "sharks" at the end of the week.

**Instructor: Kelly Carey, Wor-Wic Community College**

**Tuition: \$121      Fee: \$31**

**For students entering grades 5-7:**

**July 8-12      1 p.m. - 4 p.m.      Course #ZSMS-287-0130**

**SHARK  
TANK**

# SCIENCE, STEM & PROBLEM SOLVING

## Exploring the Animal Planet **NEW!**

Explore the incredible world of animals, their natural environment and what makes them unique. You will classify the many varieties of animal species such as invertebrates, fish, reptiles/amphibians, birds and mammals as scientists do. You will have the exciting opportunity to closely observe creatures and their behaviors in their natural and zoo habitats, as well as evaluate the importance of preservation and protection of animals, plants and their homes. **A field trip to the zoo is included.**

**Instructor: Kelly Colbert, Education Curator, Salisbury Zoological Park**

**Tuition: \$121      Fee: \$41**

**For students entering grades 3-4:**

**July 15-19      9 a.m. - 12 p.m.      Course #ZSMS-283-0116**

## Guardians of the Watershed **NEW!**

Are you ready for an exciting exploration of watersheds? Explore the animals and plants that inhabit our local watershed and how we play a part in their health. Participate in team-building exercises and immersive investigations, including macroinvertebrate sampling, nature journaling, environmental engineering, forestry and more!

**Instructor: Ellen Turnbaugh, Maryland Coastal Bays Program.**

**Tuition: \$121      Fee: \$31**

**For students entering grades 3-4:**

**July 8-12      9 a.m. - 12 p.m.      Course #ZSMS-282-0112**

## May the Force be with You

Discover the science and the fantasy of Star Wars and harness the power of the Force! Explore the Earth forces that govern every interaction in the universe and travel to other galaxies and moons. Unearth secrets of gravity, magnetism and levitation. Create comets and planets just like those of Tatooine, Naboo and Alderaan. Learn the Jedi technology and robotics that created such memorable characters as R2-D2, C3PO and BB-8! Complete your Jedi training by analyzing optical illusions. Discover the science of light and optics as you build your own lightsaber.

**Instructor: Audrey Moshfeghian, Most Blessed Sacrament School**

**Tuition: \$121      Fee: \$41**

**For students entering grades 3-4:**

**July 29 - August 2      9 a.m. - 12 p.m.      Course #ZSMS-202-0122**

# SCIENCE, STEM & PROBLEM SOLVING

## **Navigating the Mind-Body Nexus **NEW!****

Explore how our bodies work, from bones and muscles to the brain and breath. Learn about neuroplasticity and how our minds adapt and change in various scenarios. Examine how our thoughts and feelings connect with our bodies and identify simple ways to handle stress. Practice mindful activities like yoga and breathing exercises to create a happy and healthy balance. Create a personal journal to track your mind-body connection. Finally, put it all together to make a personalized plan for a strong and happy you!

**Instructor: Venessa Bowers, The Personal Wellness Center**

**Tuition: \$121**

**Fee: \$31**

**For students entering grades 3-4:**

**July 29 - August 2**

**9 a.m. - 12 p.m.**

**Course #ZSMS-285-0123**

**For students entering grades 5-7:**

**July 29 - August 2**

**1 p.m. - 4 p.m.**

**Course #ZSMS-285-0139**

## **Predator versus Prey **NEW!****

Experience the thrill of the hunt as we explore various predator and prey relationships. Compare the adaptations that the predator has that make them so deadly to their prey with the adaptations of the prey that allow them to hide and escape to survive in the wild. Examine these predator and prey relationships at the zoo and determine who should survive in a variety of scenarios based upon their place in the great food chain. **A field trip to the zoo is included.**

**Instructor: Kelly Colbert, Education Curator, Salisbury Zoological Park**

**Tuition: \$121**

**Fee: \$41**

**For students entering grades 3-4:**

**July 22-26**

**9 a.m. - 12 p.m.**

**Course #ZSMS-284-0120**

## **Rockets and Robots**

Combine the world of robotics and rockets in one class! How do rockets and robots move and what are the physics behind their movement? Just what are the six degrees of freedom and how do they apply to the basic structures of robots and rockets in space and on earth? Explore multistage, multipurpose vehicles and learn how NASA's computers control them autonomously from Earth. Learn how scientists work to ensure that missions are successful and that space machinery makes it home in one piece. Take home your own rocket and robot at the end of the week to continue improving your skills!

**Instructor: Kevin Hill, Wicomico County Public Schools**

**Tuition: \$121**

**Fee: \$106**

**For students entering grades 3-4:**

**July 15-19**

**9 a.m. - 12 p.m.**

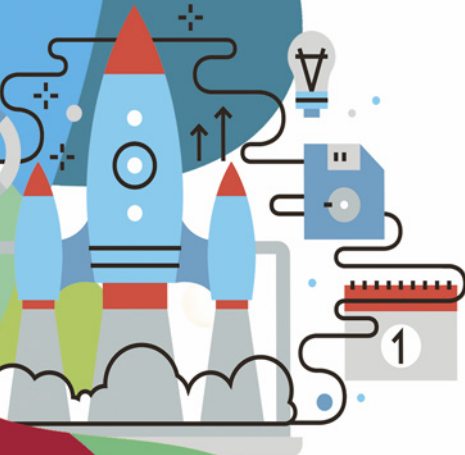

**Course #ZSMS-126-0117**

**For students entering grades 5-7:**

**July 15-19**

**1 p.m. - 4 p.m.**

**Course #ZSMS-126-0134**

## To Infinity and Beyond

Explore the cosmos in this fun week of hands-on science! You will explore the planets of our solar system, the sun, the moon and constellations. Find out what your zodiac sign really means! Be able to read the night sky, make your own star guide and build your own telescope. We will even take a trip to the planetarium!

**Instructor:** Kevin Hill, Wicomico County Public Schools

**Tuition:** \$121      **Fee:** \$65

**For students entering grades 3-4:**

July 8-12      1 p.m. - 4 p.m.      **Course #ZSMS-271-0115**

**For students entering grades 5-7:**

July 8-12      9 a.m. - 12 p.m.      **Course #ZSMS-271-0129**

## TECHNOLOGY AND DIGITAL ARTS

### Drone Adventures

The drones are here! In this hands-on, interactive class you will learn how to safely operate drone robots. Working in teams, you will be able to code your drone to compete in missions that will prepare you for the ultimate team challenge at the end of the week. Each participant will take home their very own drone!

**Offered in partnership with Sentinel Robotic Solutions.**

**Tuition:** \$35      **Fee:** \$296

**For students entering grades 3-4:**

July 22-26      9 a.m. - 12 p.m.      **Course #ZSMS-269-0119**

**For students entering grades 5-7:**

July 22-26      1 p.m. - 4 p.m.      **Course #ZSMS-269-0136**

### Shutterbugs

Discover the wonders of digital photography and push your creative limits! Incorporate the principles of design and the elements of successful photography. Expand your ability to “see” your world and “stretch” the limits of your visual voice during a variety of field experiences, including a visit to the zoo. Enhance your images through the use of our state-of-the-art computer lab. Learn compositional techniques to create unforgettable images to share with family and friends. Share and critique photos with your classmates. Each participant will take home an electronic copy of their work. **Note: Each student must bring a digital camera with a fully-charged battery & memory card to class each day.**

**Instructor:** Jen Seay Campbell, Wicomico County Public Schools

**Tuition:** \$121      **Fee:** \$31

**For students entering grades 3-4:**

July 8-12      9 a.m. - 12 p.m.      **Course #ZSMS-110-0113**

**For students entering grades 5-7:**

July 8-12      1 p.m. - 4 p.m.      **Course #ZSMS-110-0131**

## TECHNOLOGY AND DIGITAL ARTS, continued

### Think It, Design It, Make It—3D Design with Tinkercad

Use computer modeling to explore the principles of 3D design. Investigate and solve real world design problems. Learn the basics of Tinkercad as you plan, model, test and modify your own creation. Explore how professionals apply and use Tinkercad in a variety of fields. Using a 3D printer, print your favorite prototype to take home at the end of the week!

**Instructor:** Perry Angelonga, Wor-Wic Community College

**Tuition:** \$121      **Fee:** \$61

**For students entering grades 3-4:**

**July 29 - August 2      1 p.m. - 4 p.m.      Course #ZSMS-194-0125**

**For students entering grades 5-7:**

**July 29 - August 2      9 a.m. - 12 p.m.      Course #ZSMS-194-0138**

### Content Creators: Share Your Story **NEW!**

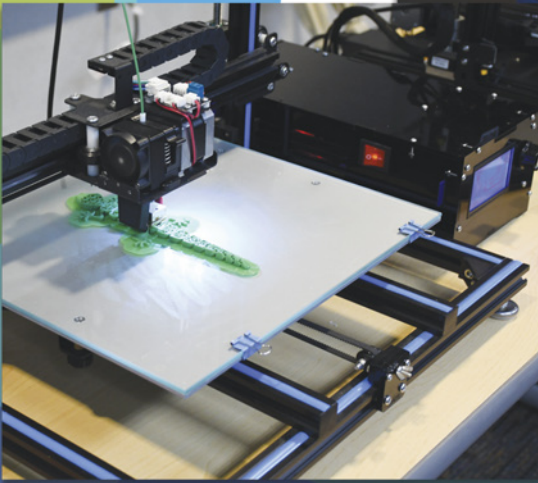

Don't just tell your story, bring it to life! Join our dynamic vlogging course and learn how to craft compelling narratives, shoot captivating videos and engage your audience. Gain practical skills in shooting footage and editing videos. Create and present your project at the end of the week!

**Instructor:** Perry Angelonga, Wor-Wic Community College

**Tuition:** \$121      **Fee:** \$31

**For students entering grades 5-7:**

**July 8-12      1 p.m. - 4 p.m.      Course #ZSMS-288-0132**

# Talented Teens

## TALENTED TEENS

### Double Helix **NEW!**

Dive into the world of genetics and discover what makes you—YOU! Engineer models, get a close-up look at DNA and use scientific tools to learn how molecules in your body work to give you your physical traits. You'll learn all about what DNA looks like, how it works and what happens when it's changed—could there really be a Hulk?!

**Instructor:** Audrey Moshfeghian, Most Blessed Sacrament School

**Tuition:** \$121      **Fee:** \$41

**For students entering grades 7-10:**

**July 29 - August 2      1 p.m. - 4 p.m.      Course #ZSMS-290-0145**

### Eastern Shore Eats

Savor a taste of home while exploring local Eastern Shore recipes including Maryland crab soup, sweet potato biscuits, wood fired pizzas made with local ingredients and Chesapeake-style ice cream. Master your kitchen skills while learning fundamental food safety practices for preparing and serving food. Earn a national Restaurant Association Employee Food Handler Certification upon successful completion of the class and test.

**Instructor:** Tashana Phillips, De'Carlas Treats LLC

**Tuition:** \$235      **Fee:** \$106

**For students entering grades 7-10:**

**July 8-12      9 a.m. - 4 p.m.      Course #ZSMS-278-0143**

### Powering the Future **NEW!**

How can what we do today impact the future? Step into the shoes of a climate scientist through hands-on activities and investigations. Learn how the planet we call home is an ever-changing environment and how we as humans impact that change! Experience our simulation welding lab and learn how these skills are used in climate careers. Bring your design skills to our makerspace lab to print 3D pieces for wind turbine experiments. Build a wind turbine for a powerful competition at the end of the week.

**Instructor:** Bradley Hartle, University of Maryland Eastern Shore Extension

**Tuition:** \$235      **Fee:** \$56

**For students entering grades 7-10:**

**July 15 - 19      9 a.m. - 4 p.m.      Course #ZSMS-289-0144**

### Driver education training is available this summer at Wor-Wic!

Course cost is \$300. Tuition assistance is offered to those who qualify and made possible, in part, by a donation from the Pohanka Automotive Group of Salisbury.

Call 410-334-2815, go to [worwic.edu/drivereducation](http://worwic.edu/drivereducation) or scan the QR code for a free student information sheet that includes course requirements, tuition assistance information and a registration form. Course sessions run 6/3-6/14, 7/8-7/19 and 8/5-8/16.

### Cancellation policy

The college reserves the right to cancel courses or make changes in any course due to unforeseen circumstances. If a course is canceled, a full refund will be processed.

This document is available in alternative formats to individuals with disabilities by contacting disability services at [kmohler@worwic.edu](mailto:kmohler@worwic.edu), 410-334-2899 or TTY 410-767-6960. Wor-Wic Community College is an equal opportunity educator and employer. Visit [www.worwic.edu/Services-Support/Disability-Services](http://www.worwic.edu/Services-Support/Disability-Services) to learn more.

## FREQUENTLY ASKED QUESTIONS

### Who is eligible?

A student's "gifted and talented" status is determined by his or her school (form available at [worwic.edu/summerscholars](http://worwic.edu/summerscholars)). This designation is based on outstanding abilities in the areas of 1) general intellectual capabilities; 2) specific academic aptitudes; or 3) the creative, visual or performing arts. **Note: students who have participated in past Summer Scholars courses must have their eligibility re-verified for 2024.**

Attention Wicomico County Parents: All Magnet, TAD and GATE students are automatically eligible (the "gifted and talented status verification form" must still be completed and signed). If your child is not in Magnet, TAD or GATE, please work with your school to determine if your child qualifies for Summer Scholars and, if so, have a school representative complete the form available at [worwic.edu/summerscholars](http://worwic.edu/summerscholars).

### How do we sign up?

Visit [worwic.edu/summerscholars](http://worwic.edu/summerscholars) to register. Class sizes are limited and registration is on a first-come, first-served basis. Please note that all requested information, including verification of gifted and talented status, health form MDH-4768, student information and parental consents are required at time of registration. Once all information has been verified, payment will be required. **To help ensure your first choice of classes, please submit as soon as possible.**

### Is there any financial assistance?

Financial assistance is available through the Donnie Williams Foundation Scholarship. Visit [worwic.edu/summerscholars](http://worwic.edu/summerscholars) for more information. **Funding is first-come, first-served. Submit your application as soon as possible.**

### What is the refund/withdrawal policy?

**All requests for refunds must be received in writing in our office at least one week prior to the start of class. No refunds are given after that time.** Email your request to [summerscholars@worwic.edu](mailto:summerscholars@worwic.edu) and include your name, student name, address, course title and number, and reason for the refund request.

### If I select a morning session and an afternoon session that are different, is my child on his or her own for the lunchtime break?

No, all students who are registered for the entire day have a supervised lunch break on campus.

### What if my child needs accommodations?

Wor-Wic Community College provides reasonable accommodations for students with disabilities, in compliance with the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973. The college does not diagnose or treat disabilities, but does provide reasonable accommodations to ensure that disabled students have equal opportunity to participate in our educational programs. **Students must request these services and submit medical and/or educational documentation at least four weeks before the start of classes so that eligibility can be determined and the appropriate accommodations can be made. To request accommodations or for more information, please contact counseling and disability services at 410-334-2897.**
