**WOR-WIC COMMUNITY COLLEGE  
ARTICULATION AGREEMENT  
Academic Year 2024-2025**

In accordance with the Maryland Higher Education Commission policy for **“Articulation and Transfer of Credits between Degree-granting Institutions and Maryland Secondary School”** (approved in February 1997), Wor-Wic Community College and the Board of Education for Wicomico County Public Schools have entered into an Articulation and Transfer Agreement for academic year 2024-2025.

The Articulation and Transfer Agreement is centered on the principle that students who have received formal instruction at an accredited Maryland secondary institution and acquired competencies in courses/courses-of-study, which are equivalent to college/university parallel courses, should not be required to repeat instruction in those subjects upon enrollment at a Maryland degree-granting institution. The purpose of the Articulation Agreement is to eliminate unnecessary duplication of instruction and provide seamless articulated coursework and education programs from high school to the community college.

Specific provisions of the 2024-2025 Wicomico County Public Schools Articulation and Transfer Agreement are listed on the following pages.

\* Students must show proof of MD EMT certification before credit will be given.

\*\* Students must show proof of SERVSAFE certification, an examination and certification process of the National Restaurant Association before credit will be given for this course.

**NOTE:**

- In order for a course to articulate to Wor-Wic Community College the student must receive a grade of “B” or better, submit a high school transcript to the Director of Admissions, be admitted to the college within three years of high school graduation, and complete one 100-level course at the college before earned articulation credit is posted.
- Students completing MFRI courses as part of the EMS CTE program, may earn college credits for the Fire Science Technology degree by providing a copy of certificates from recognized MFRI courses or MFRI transcripts.
