

**WOR-WIC COMMUNITY COLLEGE
ARTICULATION AGREEMENT
Academic Year 2025 - 2026**

32000 CAMPUS DR
SALISBURY MD 21804
410-334-2800
worwic.edu

In accordance with the Maryland Higher Education Commission policy for "**Articulation and Transfer of Credits between Degree-granting Institutions and Maryland Secondary School**," Wor-Wic Community College and the Board of Education for Wicomico County Public Schools have entered into an Articulation and Transfer Agreement for academic year 2025 – 2026.

The Articulation and Transfer Agreement is centered on the principle that students who have received formal instruction at an accredited Maryland secondary institution and acquired competencies in courses/courses-of-study, which are equivalent to college/university parallel courses, should not be required to repeat instruction in those subjects upon enrollment at a Maryland degree-granting institution. The purpose of the Articulation Agreement is to eliminate unnecessary duplication of instruction and provide seamless articulate coursework and education programs from high school to the community college.

Specific provisions of the 2025 – 2026 Wicomico County Public Schools Articulation and Transfer Agreement are listed on the following pages.

** Students must show proof of SERVSAFE certification, an examination and certification process of the National Restaurant Association before credit will be given for this course.

NOTE This articulation agreement is between Wor-Wic Community College and Wicomico County Board of Education. Other colleges may or may not award credit for these courses, and students with questions about this should speak with the receiving college for more information. To be eligible for these credits, a student must earn a grade of "B" or higher in the course, submit a high school transcript to the Registrar's office, be admitted to the college within three years of graduating high school, and successfully complete at least one 100-level course at Wor-Wic. Students planning to attend Wor-Wic after high school can request credits be added to their account during the meeting with their academic advising. Those not planning to attend Wor-Wic should contact the Registrar's office directly to make this request.
