

gifted & talented

# Summer Scholars

Enrichment courses for gifted and talented students entering grades 3-10 in the fall of 2025.

Unique courses in:

Art, History & Self Expression

Career Exploration

Culinary Arts

Science, STEM & Problem Solving

Technology & Digital Arts

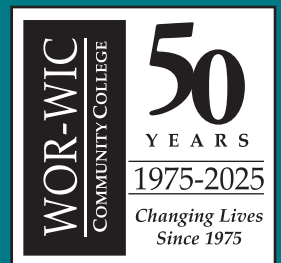

2025 Course Dates:

Week 1: July 7 - 11

Week 2: July 14 - 18

Week 3: July 21 - 25

Week 4: July 28 - Aug 1

Choose an all-day session (9 a.m. to 4 p.m.)  
OR mix and match morning and afternoon sessions!

Summer Scholars is a summer enrichment program that is specifically designed for gifted and talented students entering grades three through ten in the fall of 2025. While the courses are aimed at keeping young minds agile over the summer, they are also designed to be fun and exciting. Students will enjoy “going to college” on our beautifully landscaped campus, with its state-of-the-art “smart” classrooms, science and computer labs.

We offer both half-day and all-day formats, so you can design a summer program that fits your schedule and your child’s interests. Courses are divided into three time slots:

- AM courses (9 a.m. to noon)
- PM courses (1 p.m. to 4 p.m.)
- ALL DAY courses (9 a.m. to 4 p.m. with a supervised lunch hour)

Before and after care is available:

- AM (7:30 a.m. to 9 a.m.): \$15/week
- PM (4 p.m. to 5 p.m.): \$15/week

More course offerings are being added on our website. For the complete list of courses, scan the QR code, visit [worwic.edu/summerscholars](http://worwic.edu/summerscholars), email [summerscholars@worwic.edu](mailto:summerscholars@worwic.edu) or call 410-334-2815.

## FREQUENTLY ASKED QUESTIONS

### Who is eligible?

A student’s “gifted and talented” status is determined by his or her school (form available at [worwic.edu/summerscholars](http://worwic.edu/summerscholars)). This designation is based on outstanding abilities in the areas of 1) general intellectual capabilities; 2) specific academic aptitudes; or 3) the creative, visual or performing arts. **Note: Students who have participated in past Summer Scholars courses must have their eligibility re-verified for 2025.**

**Attention Wicomico County Parents:** All Magnet, TAD and GATE students are automatically eligible (the “gifted and talented status verification form” must still be completed and signed). If your child is not in Magnet, TAD or GATE, please work with your school to determine if your child qualifies for Summer Scholars and, if so, have a school representative visit [worwic.edu/summerscholars](http://worwic.edu/summerscholars) to complete the form.

### How do we sign up?

Visit [worwic.edu/summerscholars](http://worwic.edu/summerscholars) to register. Class sizes are limited and registration is on a first-come, first-served basis. Please note that all requested information, including verification of gifted and talented status, health form MDH-4768, student information and parental consents are required at time of registration. Once all information has been verified, payment will be required. **To help ensure your first choice of classes, please submit as soon as possible.**

### Is there any financial assistance?

Financial assistance is available through the Donnie Williams Foundation Scholarship. Visit [worwic.edu/summerscholars](http://worwic.edu/summerscholars) for more information. **Funding is first-come, first-served. Submit your application as soon as possible.**

### What is the refund/withdrawal policy?

**All requests for refunds must be received in writing in our office at least one week prior to the start of class. No refunds are given after that time.** Email your request to [summerscholars@worwic.edu](mailto:summerscholars@worwic.edu) and include your name, student name, address, course title and number, and reason for the refund request.

### If I select a morning session and an afternoon session that are different, is my child on his or her own for the lunchtime break?

No, all students who are registered for the entire day have a supervised lunch break on campus.

### What if my child needs accommodations?

Wor-Wic Community College provides reasonable accommodations for students with disabilities, in compliance with the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973. The college does not diagnose or treat disabilities, but does provide reasonable accommodations to ensure that disabled students have equal opportunity to participate in our educational programs. **Students must request these services and submit medical and/or educational documentation at least four weeks before the start of classes so that eligibility can be determined and the appropriate accommodations can be made. To request accommodations or for more information, please contact counseling and disability services at 410-334-2897.**

# ART, HISTORY & SELF EXPRESSION

## Artful Expressions **NEW!**

Dip your brush into the vibrant world of screen painting. Learn the history and painting techniques of painted window screens, a beloved folk art, originating in Baltimore. Create your own painted screen from prep to finish to take home.

**Instructor:** Lisa Penn, Founder of Lisa Penn Art

**Tuition:** \$121 **Fee:** \$56

**For students entering grades 3 - 4:**

**July 7 - 11 1 p.m. - 4 p.m.**

**Course #ZSMS-299-0071**

**For students entering grades 5 - 7:**

**July 14 - 18 1 p.m. - 4 p.m.**

**Course #ZSMS-299-0088**

## Art of Hardbound Journals and Pop-ups

In this creative course, young artists will delve into the intricate world of book arts by crafting their own hardbound journals that open flat, allowing seamless expression across their pages. Using professional calligraphy tools and handmade walnut ink, they'll make stunning marks, embellished with metallic touches and even 24K gold. Students will explore pop-ups and 3-D objects, from simple forms to complex designs. They'll leave the class with a range of creations!

**Instructor:** Maggie Gillikin, Just For You Custom Puppet and Design Company

**Tuition:** \$235 **Fee:** \$41

**For students entering grades 5 - 7:**

**July 28 - Aug 1 9 a.m. - 4 p.m.**

**Course #ZSMS-297-0099**

## Book Art: From Asia to the New World

Take a creative journey across continents in this multifaceted book arts course. Students will explore gelli plate and rice paper printing techniques, creating their own Asian signature chops. They'll experiment with sumi ink, Parker Quink black ink and handmade metallic paints. The class will delve into the medieval and modern, creating three distinct books filled with rich and diverse artworks. Participants will work with a variety of tools for drawing and painting, even creating their own egg tempera paint.

**Instructor:** Maggie Gillikin, Just For You Custom Puppet and Design Company

**Tuition:** \$235 **Fee:** \$41

**For students entering grades 5 - 7:**

**July 14 - 18 9 a.m. - 4 p.m.**

**Course #ZSMS-296-0090**

## Curtain Call

Calling all young actors! Get started or polish your skills and have fun while participating in a complete production from start to finish. Develop confidence, self-expression, group interaction and creativity through improvisation, acting games and characterization techniques. Explore various aspects of theater including acting, directing and producing and get involved with what goes on behind the scenes to make a production come to life. Get "hands-on" experience creating sets, props and reading scripts. Develop individual characters and work on scenes with the goal of understanding the unique relationship between body and voice. Put on your costume, tune up your voice and take a bow for a dynamic week of theatrical interaction!

**Instructor:** Lilandra Hayes

**Tuition:** \$235 **Fee:** \$56

**For students entering grades 3 - 4:**

**July 28 - Aug 1 9 a.m. - 4 p.m.**

**Course #ZSMS-226-0082**

**For students entering grades 5 - 7:**

**July 21 - 25 9 a.m. - 4 p.m.**

**Course #ZSMS-226-0093**

## Get Messy with Music

Leave your nice clothes home for this class and get ready to get messy with music! In this upbeat class you will explore the fundamentals of music through art. Paint while dancing, illustrate various aspects of music and conduct experiments with sound and art forms.

**Instructor:** Emily Cook, Wicomico County Public Schools

**Tuition:** \$121 **Fee:** \$31

**For students entering grades 3 - 4:**

**July 28 - Aug 1 1 p.m. - 4 p.m.**

**Course #ZSMS-214-0081**

## Leatherbound Journals & Beyond

In this exciting course, budding artists will start by crafting a long-stitch book with leather covers, beads and thread. They'll then unleash their creativity by imprinting designs and letters onto the covers using hammers and metal tools. The class will explore basic mark-making, modern and ancient letterforms and Irish Celtic knots. Participants will be introduced to sink art, leading to the creation of a four-page book fashioned from a single sheet! They'll craft a variety of tools for mark-making and painting and experiment with acrylics, acrylic inks, gel pens, and ink tense markers on fabrics, ultimately creating a fabric-bound book with fabric pages.

**Instructor:** Maggie Gillikin, Just For You Custom Puppet and Design Company

**Tuition:** \$235 **Fee:** \$41

**For students entering grades 5 - 7:**

**July 21 - 25 9 a.m. - 4 p.m.**

**Course #ZSMS-295-0094**

## Power, Pause, Play

Explore movement and music while learning how to create and perform. Learn principles such as repetition, unity, variety and sequence in dance presentation. Develop confidence, self-expression, body awareness, social skills and creative choreography through improvisation and movement repetition. On Friday, students will give a final performance.

**Instructor:** Anastasia Alexander, Founder/Owner of The Creative Movement

**Tuition:** \$121 **Fee:** \$31

**For students entering grades 4 - 9:**

**July 14 - 18 9 a.m. - 12 p.m.**

**Course #ZSMS-294-0101**

## The Wizarding World of Writing

Come join us in the magical world of Harry Potter! Expand your ability to write compelling stories and dive into the wizarding world. Make your own Harry Potter character to explore the elements of a story including character, setting, plot, conflict, climax, resolution and theme. Create journals with diary entries, illustrations and bookmarks. Take home what you write to show your family and friends.

**Instructor:** Georgia Phillips, Worcester County Public Schools

**Tuition:** \$121 **Fee:** \$31

**For students entering grades 3 - 4:**

**July 14 - 18 1 p.m. - 4 p.m.**

**Course #ZSMS-263-0076**

**For students entering grades 5-7:**

**July 14 - 18 9 a.m. - 12 p.m.**

**Course #ZSMS-263-0087**

## CSI – Crime Scene Investigation: Wor-Wic

Search for evidence, gather clues and discover how science can help solve a mystery! In analyzing a real-life simulated crime scene, learn how to dust for and identify fingerprints; determine what influences blood splatter and use simulated blood to explore how blood type and DNA can catch a criminal; learn about the skeletal system and how bones can help to determine age and gender; analyze fibers, handwriting samples and other clues to narrow the list of “real” suspects. Learn about crime scene investigation and crime lab chemistry as you perform “hands on” experiments designed to show you just how those tricky cases are solved.

**Instructor: Audrey Moshfeghian, Most Blessed Sacrament Catholic School**

**Tuition: \$121 Fee: \$41**

**For students entering grades 3 - 4:**

**July 21 - 25 1 p.m. - 4 p.m.**

**Course #ZSMS-160-0079**

**For students entering grades 5 - 7:**

**July 21 - 25 9 a.m. - 12 p.m.**

**Course #ZSMS-160-0091**

## Junior Zookeeping

Go behind the scenes to learn what working in a zoo is all about and spend a morning working with the Salisbury Zookeepers during a trip to the zoo. Learn about the different skills required to work as a zookeeper, including animal handling, cleaning and the importance of record keeping. Be prepared to get your hands dirty and learn how to diet prep for the educational animals at the zoo! Study animal care to learn how to create enrichment. Get a chance to develop and implement a class enrichment project and collect data using animals at the zoo!

**Instructors: Katelyn Lee, Education Technician, and Harmony Cecil, Assistant Education Technician, Salisbury Zoological Park**

**Tuition: \$121 Fee: \$41**

**For students entering grades 5 - 7:**

**July 7 - 11 9 a.m. - 12 p.m.**

**Course #ZSMS-286-0083**

**July 28 - Aug 1 9 a.m. - 12 p.m.**

**Course #ZSMS-286-0095**

## Shark Tank Scholars

Are you a budding entrepreneur with a passion for innovation? Dive into the exciting world of business and learn the ropes of entrepreneurship with our new course! Inspired by the popular TV show “Shark Tank,” this program is designed specifically for students eager to unleash their creativity and explore how to budget, market and present their product. Students will pitch their product idea to parents and “sharks” at the end of the week.

**Instructor: Kelly Carey, Instructor of Business, Wor-Wic Community College**

**Tuition: \$121 Fee: \$31**

**For students entering grades 5 - 7:**

**July 28 - Aug 1 1 p.m. - 4 p.m.**

**Course #ZSMS-287-0097**

## The Stock Market Game **NEW!**

Calling all number gurus! Would you like to learn more about the stock market and investing? Develop your personal financial literacy skills and compete in a simulated stock trading environment. Navigate calculated decisions and invest virtual money in stocks, bonds and mutual funds, while tracking your portfolio.

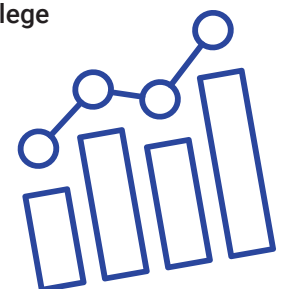

**Instructor: Dr. Tracie Brady, Associate Professor of Business, Wor-Wic Community College**

**Tuition: \$121 Fee: \$46**

**For students entering grades 5 - 7:**

**July 28 - Aug 1 1 p.m. - 4 p.m.**

**Course #ZSMS-302-0098**

## CULINARY ARTS

### Go Team, GO!!!

Calling all sports fans! Wear your favorite team colors to class and bring in your best snack recipe to share. Develop your cooking skills as you explore the history of major sports. Kick off with nachos grande and score a touchdown with cheese quesadillas, roasted corn & tomato salsa and tailgate filled cupcakes. Batter's up for grilled burger sliders and luscious strawberry shortcake.

**Instructor:** Lois Kim, Wicomico County Public Schools

**Tuition:** \$121 **Fee:** \$86

**For students entering grades 4 - 9:**

**July 14 - 18 9 a.m. - 12 p.m. Course #ZSMS-134-0100**

### Festive Winter Favorites

Prepare to amaze your family and friends with comforting classics when the holiday season approaches. Learn how to make traditional winter recipes that bring everyone together while mastering kitchen safety protocols and cooking skills. Satisfy your winter tastebuds with delicious buttermilk cornbread, old school mac and cheese, stuffed apples and other dessert staples.

**Instructor:** Lois Kim, Wicomico County Public Schools

**Tuition:** \$121 **Fee:** \$86

**For students entering grades 4 - 9:**

**July 28 - Aug 1 9 a.m. - 12 p.m. Course #ZSMS-280-0103**

### Summer Sweet Treats

Dream of whipping up something sweet and refreshing during the long sunny days? Want to learn some simple but fun recipes to serve at your next summer bbq? Learn basic baking techniques and how to add bursts of flavor to colorful desserts. Prepare easy handheld twists on classics such as strawberry shortcake kabobs, pina colada cupcakes and watermelon rice krispies.

**Instructor:** Tashana Phillips, De'Carlas Treats, LLC

**Tuition:** \$121 **Fee:** \$86

**For students entering grades 4 - 9:**

**July 21 - 25 9 a.m. - 12 p.m. Course #ZSMS-281-0102**

## SCIENCE, STEM & PROBLEM SOLVING

### Animals Across the World **NEW!**

Embark on a thrilling adventure to explore the fascinating world of animals! Learn about the incredible diversity of wildlife across the globe. You will explore a continent each day. From the deserts of Africa to the rainforests of South America, participants will study unique habitats, behaviors and adaptations of various animal species.

**Instructors:** Katelyn Lee, Education Technician, and Harmony Cecil, Assistant Education Technician, Salisbury Zoological Park

**Tuition:** \$121 **Fee:** \$41

**For students entering grades 3 - 4:**

**July 21 - 25 9 a.m. - 12 p.m. Course #ZSMS-300-0077**

## Exploring the Animal Planet

Explore the incredible world of animals, their natural environment and what makes them unique. You will classify the many varieties of animal species such as invertebrates, fish, reptiles/amphibians, birds and mammals as scientists do. You will have the exciting opportunity to closely observe creatures and their behaviors in their natural and zoo habitats, as well as evaluate the importance of preservation and protection of animals, plants and their homes. A field trip to the zoo is included.

**Instructors:** Katelyn Lee, Education Technician, and Harmony Cecil, Assistant Education Technician, Salisbury Zoological Park

**Tuition:** \$121 **Fee:** \$41

**For students entering grades 3 - 4:**

**July 14 - 18 9 a.m. - 12 p.m.**

**Course #ZSMS-283-0074**

## May the Force be with You

Discover the science and the fantasy of Star Wars and harness the power of the Force! Explore the Earth forces that govern every interaction in the universe and travel to other galaxies and moons. Unearth secrets of gravity, magnetism and levitation. Create comets and planets just like those of Tatooine, Naboo and Alderaan. Learn the Jedi technology and robotics that created such memorable characters as R2-D2, C3PO and BB-8! Complete your Jedi training by analyzing optical illusions. Discover the science of light and optics as you build your own lightsaber.

**Instructor:** Audrey Moshfeghian, Most Blessed Sacrament Catholic School

**Tuition:** \$121 **Fee:** \$41

**For students entering grades 3 - 4:**

**July 28 - Aug 1 9 a.m. - 12 p.m.**

**Course #ZSMS-202-0080**

## Rockets and Robots

Combine the world of robotics and rockets in one class! How do rockets and robots move and what are the physics behind their movement? Just what are the six degrees of freedom and how do they apply to the basic structures of robots and rockets in space and on earth? Explore multistage, multipurpose vehicles and learn how NASA's computers control them autonomously from Earth. Learn how scientists work to ensure that missions are successful and that space machinery makes it home in one piece. Take home your own rocket and robot at the end of the week to continue improving your skills!

**Instructor:** Kevin Hill, Wicomico County Public Schools

**Tuition:** \$121 **Fee:** \$106

**For students entering grades 3 - 4:**

**July 7 - 11 1 p.m. - 4 p.m.**

**Course #ZSMS-126-0072**

**For students entering grades 5 - 7:**

**July 7 - 11 9 a.m. - 12 p.m.**

**Course #ZSMS-126-0084**

## To Infinity and Beyond

Explore the cosmos in this fun week of hands-on science! You will explore the planets of our solar system, the sun, the moon and constellations. Find out what your zodiac sign really means! Be able to read the night sky, make your own star guide and build your own telescope. We will even take a trip to the planetarium!

**Instructor:** Kevin Hill, Wicomico County Public Schools

**Tuition:** \$121 **Fee:** \$65

**For students entering grades 3 - 4:**

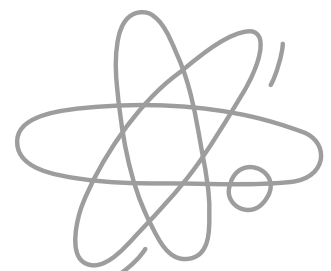

**July 14 - 18 9 a.m. - 12 p.m.**

**Course #ZSMS-271-0075**

**For students entering grades 5 - 7:**

**July 14 - 18 1 p.m. - 4 p.m.**

**Course #ZSMS-271-0089**

## Code Constructors **NEW!**

Join us on the journey to learning coding. Discover how to navigate the Scratch platform in order to bring your creativity to life. Build and design your own video games, interactive stories and animations while developing key problem solving and logical thinking skills.

**Instructor:** Layla Phipps

**Tuition:** \$121 **Fee:** \$26

**For students entering grades 5 - 7:**

**July 28 - Aug 1 1 p.m. - 4 p.m.**

**Course #ZSMS-301-0096**

## Drone Adventures

The drones are here! In this hands-on, interactive class you will learn how to safely operate drone robots. Working in teams, you will be able to code your drone to compete in missions that will prepare you for the ultimate team challenge at the end of the week. Each participant will take home their very own drone!

**Offered in partnership with Sentinel Robotic Solutions.**

**Tuition:** \$35 **Fee:** \$296

**For students entering grades 3 - 4:**

**July 21 - 25 9 a.m. - 12 p.m.**

**Course #ZSMS-269-0078**

**For students entering grades 5 - 7:**

**July 21 - 25 1 p.m. - 4 p.m.**

**Course #ZSMS-224-0092**

## Shutterbugs

Discover the wonders of digital photography and push your creative limits! Incorporate the principles of design and the elements of successful photography. Expand your ability to “see” your world and “stretch” the limits of your visual voice during a variety of field experiences, including a visit to the zoo. Enhance your images through the use of our state-of-the-art computer lab. Learn compositional techniques to create unforgettable images to share with family and friends. Share and critique photos with your classmates. Each participant will take home an electronic copy of their work. Note: Each student must bring a digital camera with a fully-charged battery and memory card to class each day.

**Instructor:** Jen Seay Campbell, Wicomico County Public Schools

**Tuition:** \$121 **Fee:** \$31

**For students entering grades 3 - 4:**

**July 7 - 11 9 a.m. - 12 p.m.**

**Course #ZSMS-110-0070**

**For students entering grades 5 - 7:**

**July 7 - 11 1 p.m. - 4 p.m.**

**Course #ZSMS-110-0086**

## Think It, Design It, Make It – 3D Design with Tinkercad

Use computer modeling to explore the principles of 3D design. Investigate and solve real-world design problems. Learn the basics of Tinkercad as you plan, model, test and modify your own creation. Explore how professionals apply and use Tinkercad in a variety of fields. Using a 3D printer, print your favorite prototype to take home at the end of the week!

**Instructor:** Perry Angelonga, CEWD Computer Coordinator, Wor-Wic Community College

**Tuition:** \$121 **Fee:** \$71

**For students entering grades 3 - 4:**

**July 7 - 11 1 p.m. - 4 p.m.**

**Course #ZSMS-194-0073**

**For students entering grades 5 - 7:**

**July 7 - 11 9 a.m. - 12 p.m.**

**Course #ZSMS-194-0085**

## Artful Expressions **NEW!**

Dip your brush into the vibrant world of screen painting. Learn the history and painting techniques of painted window screens, a beloved folk art originating in Baltimore. Create your own painted screen from prep to finish to take home.

**Instructor:** Lisa Penn, Founder of Lisa Penn Art

**Tuition:** \$121 **Fee:** \$56

**For students entering grades 7 - 10:**

**July 21 - 25** 1 p.m. - 4 p.m.

**Course #ZSMS-299-0107**

## Eastern Shore Eats

Savor a taste of home while exploring local Eastern Shore recipes including Maryland crab soup, sweet potato biscuits, wood fired pizzas made with local ingredients and Chesapeake style ice cream. Master your kitchen skills while learning fundamental food safety practices for preparing and serving food. Earn a national Restaurant Association Employee Food Handler Certification upon successful completion of the class and test.

**Instructor:** Tashana Phillips, Founder and Owner of De'Carlas Treats, LLC

**Tuition:** \$235 **Fee:** \$106

**For students entering grades 7 - 10:**

**July 7 - 11** 9 a.m. - 4 p.m.

**Course #ZSMS-278-0105**

## Double Helix

Dive into the world of genetics and discover what makes you—YOU! Engineer models, get a close-up look at DNA and use scientific tools to learn how molecules in your body work to give you your physical traits. You'll learn all about what DNA looks like, how it works and what happens when it's changed—could there really be a Hulk?!

**Instructor:** Audrey Moshfeghian, Most Blessed Sacrament Catholic School

**Tuition:** \$121 **Fee:** \$41

**For students entering grades 7 - 10:**

**July 28 - Aug 1** 1 p.m. - 4 p.m.

**Course #ZSMS-290-0110**

## Murals that Matter **NEW!**

Explore the intersection of creativity and entrepreneurship through the art of mural painting. Designed for aspiring artists, community enthusiasts and entrepreneurs alike, this class will study the history of mural art and legal and safety considerations. Collaborate with classmates to plan and design an impactful mural while learning business fundamentals, client relations, communication and networking skills.

**Instructor:** Brandon Bell, CEO/Co-Founder, We Are Limitless Studios, LLC

**Tuition:** \$121 **Fee:** \$41

**For students entering grades 7 - 10:**

**July 7 - 11** 1 p.m. - 4 p.m.

**Course #ZSMS-303-0104**

## Powering the Future

How can what we do today impact the future? Step into the shoes of a climate scientist through hands-on activities and investigations. Learn how the planet we call home is an ever-changing environment and how we as humans impact that change! Experience our simulation welding lab and learn how these skills are used in climate careers. Bring your design skills to our makerspace lab to print 3D pieces for wind turbine experiments. Build a wind turbine for a powerful competition at the end of the week.

**Instructor:** Bradley Hartle, University of Maryland Eastern Shore Extension

**Tuition:** \$235 **Fee:** \$56

**For students entering grades 7 - 10:**

**July 14 - 18 9 a.m. - 4 p.m.**

**Course #ZSMS-289-0106**

## Shark Tank Scholars: Advanced **NEW!**

Learn to think like creative entrepreneurs and compete in a crowded marketplace with unique solutions to tomorrow's problems. Work with professional tools to gain a competitive edge and learn what it takes to bring an idea to market. Collaborate with other campers in completing group and individual projects. Build a startup with your friends, create sophisticated websites, develop marketing plans and 3D print prototypes. At the end of this busy week, pitch your project to a panel of top sharks and negotiate funding!

**Instructor:** Kelly Carey, Instructor of Business, Wor-Wic Community College

**Tuition:** \$121 **Fee:** \$31

**For students entering grades 7 - 10:**

**July 28 - Aug 1 9 a.m. - 12 p.m.**

**Course #ZSMS-304-0108**

## The Stock Market Game **NEW!**

Calling all number gurus! Would you like to learn more about the stock market and investing? Develop your personal financial literacy skills and compete in a simulated stock trading environment. Navigate calculated decisions and invest virtual money in stocks, bonds and mutual funds, while tracking your portfolio.

**Instructor:** Dr. Tracie Brady, Associate Professor of Business, Wor-Wic Community College

**Tuition:** \$121 **Fee:** \$46

**For students entering grades 7 - 10:**

**July 28 - Aug 1 9 a.m. - 12 p.m.**

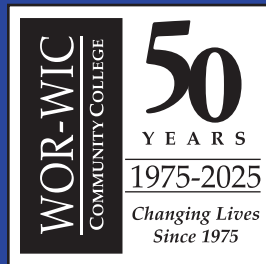

**Course #ZSMS-302-0109**

## Driver education training is available this summer at Wor-Wic!

Course cost is \$300. Tuition assistance is offered to those who qualify and made possible, in part, by a donation from the Pohanka Automotive Group of Salisbury.

Call 410-334-2815, visit [worwic.edu/drivereducation](http://worwic.edu/drivereducation) or scan the QR code for a free student information sheet that includes course requirements, tuition assistance information and a registration form.
