Notice

The following notice was provided to students about CARES Act funding:

“As part of legislation passed by the federal government, the college has received funds to assist with financial concerns during the COVID-19 crisis. The Coronavirus Aid, Relief and Economic Security (CARES) Act provides a Higher Education Emergency Relief Fund for students struggling with basic needs

such as housing, utilities, food, health care, child care, and transportation expenses. It also provides funds for technology that you have purchased during the spring semester or that you will need for upcoming semesters to work in an online environment. Technology needs include computers, Internet subscriptions, Wi-Fi hotspots, technology tools and supplies and assistive technology (assistive technology is for students with disabilities).

You must apply for Higher Education Emergency Relief funds at <https://worwic.academicworks.com/opportunities/1465> and you will need your Wor-Wic user name and password to access the application. Applications will be awarded using basic criteria created by our financial aid office, and awards will be made on a first-come, first-served basis. Awards for basic needs will be pro-rated based on your total number of spring semester credits. If you have already completed a Free Application for Federal Student Aid (FAFSA), no further paperwork will be required. If you have not completed a FAFSA, we may require additional documentation from you. Only students that are eligible to file a FAFSA can receive Higher Education Emergency Relief Funds.”
