Students matriculating from this articulation will be waived from LIBA 150 – College Success and the Mercy Experience (2 credits).

Students at Wor-Wic Community College may take additional core courses there and transfer them into the program at Mount Aloysius. Mount Aloysius allows the transfer of up to 90 credits into a bachelor's degree program. The transferability of the additional credits can be confirmed with the Registrar's Office at Mount Aloysius College.

Most nursing professionals complete this program of study online at a part-time status. Students completing an online degree completion program at Mount Aloysius pay the lower Graduate and Continuing Education tuition per credit rate for up to 11 credits per semester. Once a student schedules 12 or more credits in a term they are billed a flat tuition rate for full time tuition. The above plan is primarily a full time rate of pursuit. A student's academic advisor at Mount Aloysius will help part-time students develop an appropriate degree plan for the program.
