Articulation Agreement

Mount Aloysius College And

Wor-Wic Community College

Mount Aloysius College (MAC) and Wor-Wic Community College (WWCC) agree that students earning Associate of Applied Science degree in Radiologic Technology from Wor-Wic Community College may transfer to Mount Aloysius College with the following understandings:

- 1. This Agreement applies to students majoring in Bachelor of Science Leadership in Healthcare at MAC. The program can be completed online.
- 2. The intent of this Agreement is to facilitate degree attainment for students in the Associate of Applied Science Radiologic Technology program at WWCC.
- 3. All courses numbered 100-level or above used to complete the degree in Radiologic Technology with a grade of C or better are eligible for transfer to MAC and may be applied as lower division credits toward the minimum 120 credits required to earn a baccalaureate degree. A minimum of 60 eligible credit hours coursework is required in order to grant the student junior standing at MAC for the purposes of registration only.
- 4. The courses will transfer as identified in the Credit Transfer Guide.
- 5. As appropriate, courses transferred may fulfill lower division degree, general education, elective, and/or major requirements. See appropriate Advising Guide for requirements that are current as of the 2020/2021 Academic Catalog. It is best for the student to work with an academic adviser to determine which catalog rules apply.
- 6. Students may have lower-division requirements to fulfill in addition to the degree continued from WWCC and will be responsible for completing all graduation requirements for MAC in effect at the time of graduation from MAC in order to earn a baccalaureate degree.
- 7. Students must meet MAC admission requirements in place at the time they apply for admission to MAC.

8. This Agreement will be in effect beginning Fall 2021 or upon date of last signature, whichever is later. Curriculum changes by either MAC or WWCC must be communicated in writing no later than June 30th of the year of implementation. This agreement will be reviewed every three (3) years to ensure the continued appropriateness and viability of this Agreement.
