# Wi-Fi Access Guide for Students

For laptops:

1. To connect to the Wor-Wic Student Wi-Fi, select "**Wor-Wic Student**" in the Wi-Fi list.
2. If you have a Wor-Wic-owned laptop, it will automatically connect to the student Wi-Fi when you sign in with your Wor-Wic assigned username and password.
3. Otherwise, you will need to enter your username and password when prompted.

For mobile phones or tablets:

1. To connect to the Wor-Wic Student Wi-Fi, select "**Wor-Wic Student**" in the Wi-Fi list.
2. Sign in using your Wor-Wic-assigned username and password.
3. For Android phones, you may need to type in "worwic.edu" for the Domain.
4. For iPhones or iPads, you may need to select "Trust certificate" when it attempts to connect.
